PRESS RELEASE

Sure to be a repeat performance...

The 2nd Annual Jackson Canine Carnival is a dog-centered, fun-filled, interactive and informative community gathering that benefits the Town-County Animal Shelter.

Please consider joining us for...

All things dog for the spectator in you: Course-a-Lure, Agility, and many other demonstrations.

All things dog for your furry friend: dog wash, nail trim, fresh treats, ask-a-vet, ask-a-trainer and many more.

All things dog for the little people: arts & crafts, games.

And all things dog for the kid in everyone from 1-100: an adopt-a-thon, hot dog eating contest, games and a huge raffle - just to mention a few.

There will also be non-profit booths, local artists and a food court.

Event runs all day September 24, 2011 from 10am-6pm at the Teton County Fairgrounds. Of course, all well-behaved, leashed dogs are welcome. Any unattended children under the age of 12 will be given a puppy and an espresso.

Admission and parking are free. Donations requested for participation in the raffle and some activities/services offered.

Please call 733-0802 for more information and/or to graciously volunteer or donate and be a part of this spectacular way to support the Town-County Animal Shelter.
